## Polish Tapestries

### John Ainsworth

3 – 18 May

Centre Gallery

For over two thousand years tapestry has been regarded as the noblest form of decor. Today traditional techniques are producing unique contemporary tapestries in both figurative and abstract designs.

## Remember Me

Initiated by Alzheimers Counties Manukau

29 May – 22 June

Centre Gallery

Personal stories are conveyed through a series of interactive memory boxes titled 'Remember Me'. This is a very personal exhibition about how Alzheimer's disease and dementia can impact on people's lives and is a testament to the strength and courage of all involved.
