

# FIND ME

Be inspired by the colours in Michael Parekōwhai's sculpture *Atarangi II* located outside of Te Tuhi.

Can you find something at home to match each description and colour? Draw it in the blank space.

something in your fridge

a toy of yours

something in a book

something a relative wears

something in your wardrobe

something in a photograph

something in your lounge

something in your pantry

something in your bathroom

something in your bedroom
